

ANNOUNCING AUGUST ADVENTURES...

Highland Street Foundation is pleased to announce *August Adventures*, a calendar of **FREE** activities taking place during the month of August. Each day, there will be one museum, zoo, nature sanctuary, or event offered with no admission fee. We are excited to continue the tradition of free access in partnership with some of our amazing cultural institutions throughout Massachusetts.

This is our collective way of saying "Welcome Back" to the community!

Please note that many of the sites have limited capacity and require advance registration. Tickets will be distributed on a first-come, first-served basis. If you do register and cannot make it, please let the organization know so they can open it up to others. For more information, please visit
